Dear Steve,

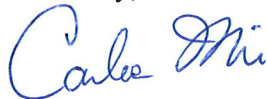

Thank you for supporting The American Diabetes Association by donating your proceeds of \$1,000 from the entry fees of the Wheels That Heal Car show held June 12th, at the Delmarva Chicken Festival.

Your support helped keep our expenses down ensuring that the money we raised will be applied to our mission: **to prevent and cure diabetes and to improve the lives of all people affected by the disease.**

For your reference, American Diabetes Association is a 501c3 non-profit organization. Our tax-exempt ID number is 13-1623888.

Thank you again for supporting this year's Mini Grand Prix series, during the Delmarva Chicken Festival.

Sincerely,

Carlos Mir
