

What A Wonderful People You Are!!
I searched & searched for the right card
to say the right words many to choose from
but, this one's from my heart... You don't
know how much your giving meant to my
family & me... I believe that God answered
my prayers through you & your club.
Thank you because you heard our situation
and immediately with a willing heart went
to people who had the same giving heart and
acted upon it to meet a need. This is
what Christianity is about not just hearing God's
words but also doing His word. My family
& I will never forget this unselfish
act of kindness that was extended towards
us. We will let you all know our progress.

Your thoughtfulness
meant much more
than any words can say.
