

Eagle One Golden Rule Award Winner

18th Annual **CRUISE FOR A CAUSE** October 14, 2023

**FOR THE BENEFIT OF
THE LUKE ZECHARIAH STEVENS FAMILY**

Cody, Joan and Luke Stevens have had it tough to say the least. When now 7-year-old Luke was just 18 months old, he suffered a Grand Mal seizure. At this point, Luke has been diagnosed with four types of rare brain disorders including PMG and LGS which cause these seizures. In 2022, Luke successfully had brain surgery to eliminate one of the seizures and isolate the other three to the right side of the brain where his PMG is located. He still has multiple issues left to be dealt with and more surgery in his future. In addition to these struggles, the family lost their home and vehicles due to an emergency medical situation with Luke during Covid. Along with Luke's health, one of their goals is to get their own home again and regain their independence. Please, let's help this family!
