Dear Friends,

Thank you so much for your wonderful gift of \$1,344.00 proceeds from the car show. We are so grateful for your continuing support to the Maryland Food Bank Eastern Shore. Your gift was received on 9/15/2009 and will be used to feed hungry people right here on the shore.

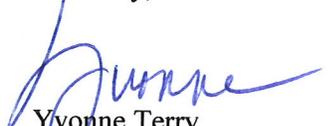

Today on the Eastern Shore hunger is increasing, and many of those affected are children, single parents, senior citizens and working families not able to make ends meet in this troubled economy. Increasingly, we are not able to procure the donations of food and dry goods that have sustained us for the last 27 years – and getting food to those who need it is ever more expensive. That is why financial contributions like yours are vital as we work to ease the blight of hunger on the Eastern Shore.

Your gift will equate to more than four times its value (to over \$5,376.00) because of the cooperation of many caring companies and organizations across Delmarva, throughout the state and all over the nation. Today, you have helped support **224** Delmarva food providers such as **food pantries, homeless shelters, senior programs and soup kitchens.**

In addition, many people needing food assistance are not adequately served by our traditional programs, as effective as they are. We are finding that more and more we need to take action to place food in the hands of those who need it. New - and evolving - efforts are helping meet that need. Our **Kids Café** and **Back Pack** programs provide hot meals and nutritious snacks for increasing numbers of children. Our **Mobile Pantry** program delivers food directly to seniors and families in the areas where they live.

With your donation, you are a part of this vital work. Thank you so much for your generosity. Together we are moving towards our goal of ending hunger on the Eastern Shore.

Sincerely,

  
Yvonne Terry  
Director of Development
