Dear Dave,

The Toys for Tots Cruise-In, held at the American Legion Post #64, on November 12, 2005 was a tremendous success. This event, hosted by Wheels That Heal, resulted in 164 new toys donated to our 2005 Toys for Tots campaign. In addition, \$1,132.00 was raised by your organization during the Cruise-In and was donated to Toys for Tots. The money will be used to purchase toys from local businesses that supplement our toy drive this year.

On behalf of the children from our area, thank you from the Delmarva Detachment, Marine Corps League.

Sincerely,
